DDS Mail-in Renewal Options

Thank you for your interest in renewing your Georgia Permit, Driver's License (DL) or Identification (ID) Card. The Georgia Department of Driver Services (DDS) offers renewal by mail options under limited circumstances for U.S. Citizen customers who are unable to renew their license in person.

The following customers may utilize the mailing option:

Customers stationed out-of-state in the military, and their dependents stationed with them.

Customers attending school out of the State of Georgia, and their dependents who are with them. Remote renewals will be limited to one (1) issuance.

Customers temporarily working out of state, and their dependents who are with them. Remote renewals will be limited to one (1) issuance.

Customers who are physically unable to visit a DDS Customer Service Center (CSC). Will be issued a Georgia ID card only.

The following general requirements and conditions apply:

• You must be a U.S. Citizen.
• You must currently have a Georgia Permit, DL or ID Card.
• Customers who are enrolled in Secure ID (Gold star in the top right corner) can renew their Georgia driver’s license, permit or ID card online. Exception: Commercial driver’s license/permits must be renewed at a Customer Service Center.
• You must submit proof of Georgia residency. A listing of acceptable documents for this purpose is enclosed.
• The customer requesting renewal must complete the DDS-23MIR form (Form for Driver's License/ID/Permit), provide a signature and have it notarized in Section F.
• Customers 64 years of age or older must provide verification that vision requirements are met if applying to renew a driver’s license or permit (enclosed Vision Form must be completed).
• The customer must provide applicable payment for each renewal, payable by check, money order, or credit card.
• Processing can take up to thirty (30) days from receipt of your completed application package. Failure to provide all required documents will delay renewal of your license. Expedited processing is not available. Requests will be processed on a first-come, first-serve basis.
• Only renewal of non-commercial Driver’s Licenses and Permits and ID Cards are available by mail.
• Customers who are physically unable to visit a Customer Service Center will only be issued an identification card.
• Renewal of Commercial Permits and Driver's Licenses (CDL) must be done in person at a DDS location.
• If you are requesting a name change, you cannot use the mail-in renewal option. You must visit a CSC to present original legal name change documents and provide your signature.

Effective July 1, 2012, the Department of Driver Services (DDS) began issuing Secure Permits, Driver’s Licenses and Identification Cards. However, mail-in renewals are not eligible for enrollment in Secure ID. If you do not have a Secure ID already, you must visit a Customer Service Center to upgrade to a Secure ID – otherwise, you will receive a non-secure card. Only send the documents specified in this packet. For more information on Secure ID, visit our website and view the Real ID FAQ.

To complete renewal by mail, please mail all required documents (see accompanying pages for specific requirements) to the following address along with your payment:

DDS Special Issuance
2206 Eastview Parkway
Conyers, GA 30013

Please make checks or money orders payable to DDS for the applicable fee. A separate check or money order is required for each customer's renewal request. If paying by credit card, please complete the enclosed Credit Card Authorization Form and return with your application package.

The accompanying chart lists the documents required for each type of renewal. Blank forms are enclosed for completion.

Please direct any questions to our Customer Contact Center at (678) 413-8400 or email Central Issuance at centralissuance@dds.ga.gov
